

The ePostDirect Pay-Per-Lead Network

Our Exciting BtoB Lead Generation Service Delivers You Qualified, Opt-In Leads on a Pay-Per-Lead Basis

**Over 300
BtoB Sites!**

The ePostDirect Pay-Per-Lead Network offers an exciting and innovative online product that delivers you qualified BtoB leads from one single source.

Through our BtoB tool, your offer becomes part of the robust qualification process from some of the country's most valued publishing resources.

Subscribers to premier top trade BtoB publications are presented your offer at the same time that they are filling out their individual qualification form.

When a subscriber opts-in to learn more about your offer, we deliver you the subscriber's contact information, in real-time, while the lead is still hot!

The ePostDirect Pay-Per-Lead Network optimizes marketing performance, profitability and effectiveness by enabling you to pay per lead based on data elements you want to collect from name and email address to full contact information, phone number, and an unlimited array of customizable data elements.
