Published by Nelson Publishing, Inc.

Reach senior-level decision makers within the manufacturing industry with the **Tooling & Production Magazine Email List**. This highly trusted BPA-audited publication, celebrating its 70th anniversary, reaches subscribers in manufacturing industries including Electronic, Semiconductors, Medical Equipment Manufacturing, Automotive, Aerospace and more.

T&P subscribers are active buyers and responsible for purchases of the latest technologies, products and applications to decrease downtime and increase throughput and productivity in their organizations.

97% of **T&P** subscribers are involved in the acquisition of metalworking and manufacturing products. Over 70% of subscribers are located in plants with 100 employees or more. Over half have budgeted more than \$250,000 annually for new product purchases.
